§ 202.4 Effective date of registration.

The effective date of registration for claims received in the Copyright Office on or after January 3, 1991, and through December 31, 1991, with a short fee of \$10 is the date on which the application, deposit, and \$10 fee have all been received in the Copyright Office, provided, the claim is later determined to be acceptable for registration by the Register of Copyrights and a supplementary fee of \$10 is received in the Copyright Office. If the supplementary fee is not received promptly after notification of the short fee, the Copyright Office will initiate a proceeding to cancel the copyright registration. If the supplementary fee of \$10 is not received in the Copyright Office before the cancellation proceeding is completed, the cancellation will become final and will result in the loss of the effective date of registration. After cancellation, registration could be obtained only by submitting a new application, deposit, and filing fee.

§ 202.5 Reconsideration Procedure for Refusals to Register.

(a) *General.* This section prescribes rules pertaining to procedures for administrative review of the Copyright Office's refusal to register a claim to copyright, a mask work, or a vessel hull design upon a finding by the Office that the application for registration does not satisfy the legal requirements of title 17 of the United States Code. tion Program reconsider its initial decision to refuse registration, subject to the following requirements:

(1) An applicant must request in writing that the Registration Program reconsider its decision. A request for reconsideration must include the reasons the applicant believes registration was improperly refused, including any legal arguments in support of those reasons and any supplementary information. The Registration Program will base its decision on the applicant's written submissions.

(2) The fee set forth in § 201.3(d)(3)(i) of this chapter must accompany the first request for reconsideration.

(3) The first request for reconsideration and the applicable fee must be received by the Copyright Office no later than three months from the date that appears in the Registration Program written notice of its initial decision to refuse registration. When the ending date for the three-month time period falls on a weekend or a Federal holiday, the ending day of the three-month period shall be extended to the next Federal work day.

(4) If the Registration Program decides to register an applicant's work in response to the first request for reconsideration, it will notify the applicant in writing of the decision and the work will be registered. However, if the Registration Program again refuses to register the work, it will send the applicant a written notification stating the reasons for refusal within four months of the date on which the first request for reconsideration is received by the Registration Program. When the ending date for the four-month time period falls on a weekend or a Federal holiday, the ending day of the four-month period shall be extended to the next Federal work day. Failure by the Registration Program to send the written notification within the four-month period shall not result in registration of the applicant's work.

(c) *Second reconsideration.* Upon receiving written notification of the Registration Program's decision to refuse registration in response to the first request for reconsideration, an applicant may request that the Review Board reconsider the Registration Program's
